Any changes to tuition and fees will be published to students.

The student may assert against the holder of the promissory note s/he signed in order to finance the cost of instruction all of the claims and defenses that the student could assert against this school up to the amount the student has already paid under the promissory note.

STUDENT ACKNOWLEDGMENTS

I have received and read a copy of The Art Institutes current catalog, the provisions of which I accept. I have read and understand all provisions of this Agreement, and I have been given a copy of it for my records. (Parents must also sign if you are under 18 years of age). I understand that my enrollment and The Art Institutes obligations under this Enrollment Agreement (except the cancellation and refund provisions) may be terminated by The Art Institute if I fail to comply with The Art Institutes attendance, conduct, academic, and/or financial requirements. I understand that The Art Institute also reserves the right to cancel my enrollment if The Art Institute determines (1) that I have demonstrated poor academic potential (as determined by evaluation of transcript records, or any other academic evaluations deemed appropriate for the program selected), and/or (2) that I do not meet all financial obligations related to enrollment and continuing enrollment. I understand that my financial obligations to The Art Institute must be paid in full before a degree may be awarded and before transcripts will be issued.

I accept that, to the extent permitted by law, I am responsible for all reasonable collection agency and attorney fees incurred in attempting to collect my unpaid debt to The Art Institute. Both sides of the Enrollment Agreement and Financial Plan, together with the catalog and other published Art Institute policies, procedures, provisions of any attached order(s) signed by me, student conduct codes, and separate student housing agreement, if any, shall constitute the entire agreement between the student and The Art Institute. I understand and agree that they supersede any prior or contemporaneous oral or written agreements or statements and may not be modified without the written agreement of The Art Institute President.

I also understand that this Agreement constitutes a binding contract upon acceptance by The Art Institute. Any holder of this consumer credit contract is subject to all claims and defenses that the debtor could assert against the seller of goods or services obtained pursuant here to or with the proceeds hereof. Recovery hereunder by the debtor shall not exceed amounts paid by the debtor. My signature above signifies that I have read and understand all aspects of this Agreement and do recognize my legal responsibilities in regard to this contract.

The student understands and agrees that s/he will be liable for interest charges that will be assessed on his/her account balance until the balance is paid in full. Interest will be charged at 12% per annum on the student's adjusted outstanding balance at the end of each month. The adjusted outstanding balance is defined as all charges incurred by the student for attendance at the school at the end of the prior month,

including but not limited to tuition, fees, housing charges, late registration fees, fines, damages, etc. less the total amount paid to the student's account at the end of the current month including financial aid that the student has been awarded but has not been paid for the quarter provided that the student and/or the student's parent(s) have completed all of the requirements for the award. The student understands and agrees that his/her adjusted outstanding balance is different from his/her student payment plan and that the student's financial aid award may be reduced or eliminated if the student does not complete all of the requirements for financial aid.

STUDENT TUITION RECOVERY FUND

California law requires that, upon enrollment, a fee be assessed by the Institution in relation to the cost of tuition (New California Education Code §94945). These fees support the Student Tuition Recovery Fund (STRF), a special fund established by the California legislature to reimburse students who might otherwise experience a financial loss as a result of the (a) the closure of the institution; (b) the Institution's breach of or anticipatory breach of the agreement for the program of instruction; or (c) a decline in the quality or value of the program or instruction within the 30-day period before the Institution's closure. The STRF fund protects only California students and the Institution's participation is mandatory.

Please note that (a) if the student is a recipient of third-party payer tuition and course cost, the student is not eligible for protection under the STRF, and (b) the student is responsible for paying the state assessment amount for the Student Tuition Recovery Fund. A third party payer means any employer, government program, or other payer that pays a student's total charges directly to the Institution when no separate agreement for the repayment of the payment exists between the third-party payer and the student.

Effective January 1, 2004, the assessment that the Institution must collect from each newly enrolled student as a STRF fee is \$2.50 per thousand dollars of tuition paid, regardless of the portion that is prepaid.

As a particular in the Student Tuition Recovery Fund, The Art Institute is also obligated by California law to collect the name of the source of each loan, if you have one or more governmentally guaranteed or insured loans for tuition purposes outstanding.
